

The Costa family has been known for providing excellent food and quality service in the Eastern area for 16 years. We now wish to take this one step further with the introduction of Costa's Mediterranean Cafe', a venue which provides the best family recipes which have been perfected through many generations of preparation.

Only the freshest herbs and spices and the finest cuts of meats and fish are used daily in our kitchen, under the watchful eye and guidance of Mrs. Maria Costa, so each dish will be a dining delight for our customer.

The customers' satisfaction and healthy dining is our number one priority, so great pains are taken in the preparation of each item. We want each and every visit to Costa's Mediterranean Cafe' to be a pleasant one.
